Dear Deputy Chief Xiarhos:

Our thanks to you and to the Yarmouth Police Relief Association for your generous donation of \$1,500 in proceeds from the YPD Blue 5K to the National Law Enforcement Officers Memorial Fund (NLEOMF).

With your support of the Memorial Fund you honor the 19,299 federal, state, and local law enforcement officers who have died in the line of duty and help to recognize the service and sacrifice of all officers.

Since 1988, the NLEOMF has been engaged in a continuous research effort to document and honor all American law enforcement officers who have been killed in the line of duty. Our efforts are culminated annually at the kickoff event for National Police Week, NLEOMF's Candlelight Vigil. More than 20,000 surviving family members, police officers, and police supporters attend the Annual Vigil as new names of the fallen are formally added to the Memorial walls.

In 2000, Congress authorized the NLEOMF to build the National Law Enforcement Museum. It will be the most comprehensive law enforcement Museum and research facility found anywhere in the world.

Thank you again for your support of all our programs honoring law enforcement heroes.

Sincerely,

CRAIG W. FLOYD
Chairman and CEO

Many thanks!

For your records, the National Law Enforcement Officers Memorial Fund is recognized by the IRS as a 501(c)(3) organization. NLEOMF did not provide any goods or services in exchange for this gift. Your gift is deductible to the extent provided by law.
